Table II, Sec. 1 (Time First Round)

The first round is decided by adding together the faults incurred over the course and any penalties for exceeding the Time Allowed if any. Horses with clean rounds or equal faults will be classified according to their time taken to complete the course.

Table II, Sec. 2 (b) (Time First Jump Off)

The first round and jump off if any, are decided by adding together the faults incurred over the course and any penalties for exceeding the Time Allowed if any. If the competitor has gone clean in the first round, the competitor will, without leaving the ring upon audible signal commence the designated Jump Off within 45 sec.

Table II, Sec. 2 (c) (Power & Speed)

The first round and jump off if any, are decided by adding together the faults incurred over the course and any penalties for exceeding the Time Allowed if any. If a competitor has gone clean in the first round, they will, upon crossing the finish line, commence the designated jump off course. Time starts as the horse crosses the finish line for the initial course.
